# INTEGRATION PARTNERS

Today's technology is growing at a rapid rate and is now accessible to everyday businesses. This new technology is cutting-edge and developed by experts in their field; whether it is electronic payment methods, dashboard reporting or online ordering. By integrating our solutions with these technology experts, we are able to provide a far superior and much smarter solution that will benefit your business.

+ MANY MORE!

# SERVICE & SUPPORT

We know that the hospitality industry doesn't work 9-5, so neither do we. 21st Century's ability to instantly access our clients systems ensures our promise to provide the best support and servicing in the industry is always fulfilled. We take pride in our commitment to our clients so there is no ducking for cover, no matter what time of day or night.

We understand your time is better spent running your venue, so our technical support operates 24 hours a day, 7 days a week, 365 days a year. Our POS service and support staff average more than 12 years hospitality experience, so you know that you will be talking to someone that knows IT and understands your business.

Great Support,  
24 hours a day,  
7 days a week
